
Transatlantic Studies

Transatlantic Studies is a two-year English-language Master's degree program fully accredited by the Ministry of Education of the Czech Republic. It caters to an English-speaking audience with a deep and versatile exploration of "the Transatlantic" Euro-American cultural as well as political and geographic space.

Primary attention is paid to modern history, politics and diplomacy, as well as to fundamental social, cultural and economic problems. It also offers students the elective chance to learn or improve their knowledge of the Czech language.

The core courses provide an overview of crucial segments of the area from an analytical and multidisciplinary perspective, while the elective classes allow students to create their own specialization.
